

ENRICHMENT

ORMISTON BOLINGBROKE ACADEMY

ENRICHMENT TRACKER

@OBBA

At Ormiston Bolingbroke Academy we know that every child is different and therefore has different interests and hobbies. Which is why we have a whole school enrichment programme that has grown each year and is there to introduce you to new clubs and develop your skills in these areas. So keep hold of this guide to OBA's enrichment programme so you know exactly what is happening and **GET ENRICHED!**

GET INVOLVED !

WHY SHOULD YOU GET INVOLVED ?

We think that you should get involved in enrichments for numerous reasons:

- Find a subject you love and can't get enough of
- Learn new skills or develop existing ones
- Meet new friends
- Show off to the academy how good you are
- Get rewarded for taking part

HOW DO I GET INVOLVED ?

That's simple! Have a read through this booklet, find the enrichment you are interested in and go to the club at the time it says!

There is no need to sign up, just turn up!

Don't forget to let parents/ guardians know that you will be going to an enrichment that night.

At Ormiston Bolingbroke Academy we offer students from KS4 and KS5 the opportunity to participate in the Duke of Edinburgh's Award scheme, the world's leading youth development programme. The scheme is offered at three levels, Bronze, Silver and Gold. Each of these levels require participants to undertake a commitment to three sections: Volunteering, skills and physical. In this booklet you will find activities that are able to count towards each of these sections, helping you to complete all of your DofE award in the academy. The final section participants are required to complete and expedition, which will have you undertaking an expedition to explore one of the UKs Areas of Natural Beauty.

THE DUKE OF
EDINBURGH'S AWARD

ART

A picture paints a thousand words...
